ISTANBUL
METROPOLITAN
MUNICIPALITY

UYAK2023 the 5th International Underground Excavations Symposium and Exhibition, will be held in Istanbul on 9-10-11 March 2023, at Hilton Istanbul Bosphorus Convention Center with the cooperation of the TMMOB Chamber of Mining Engineers Istanbul Branch and the Department of Rail Systems of Istanbul Metropolitan Municipality.

The theme of UYAK2023 has been determined as "*Cities of the Future, Urban Tunnelling and Underground Excavations*"

HILTON ISTANBUL BOSPHORUS CONVENTION CENTER

5th International Underground Excavations Symposium and Exhibition will be held on March 9-10-11, 2023 at Hilton Istanbul Bosphorus Convention Center, one of the historic and iconic venues of Istanbul. [Click here](#) to see the photos of UYAK2018, which was held on at the same place in 2018.

UYAK2023 Symposium and Exhibition will be held in an exhibition hall of 1200 m² and conference halls. [Click here](#) for information on the exhibition hall and stands.

Accommodation will be at Hilton Istanbul Bosphorus and other alternative hotels with special prices for delegates.

The Convention Center is located in the center of Istanbul and is very easy to reach. It is 10 minutes away from Taksim Square by walking and 45 minutes away from Istanbul Airport by taxi. The Convention Center is also very close to the Metro Station and other transportation points.

EXHIBITION AND SPONSORSHIP

In the UYAK2023 Symposium and Exhibition, an exhibition in an area of 1200 m² will be held consisting of stands related to underground excavations like tunneling, mining, and metro.

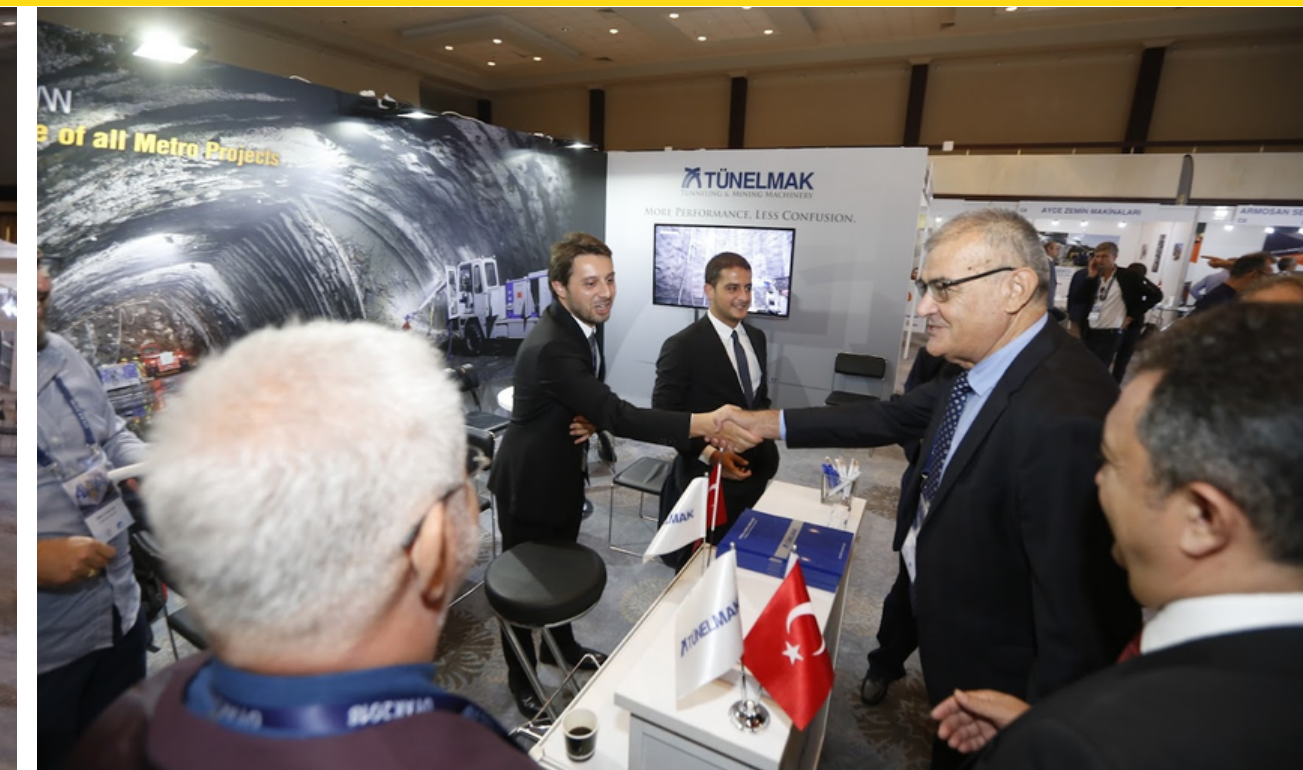

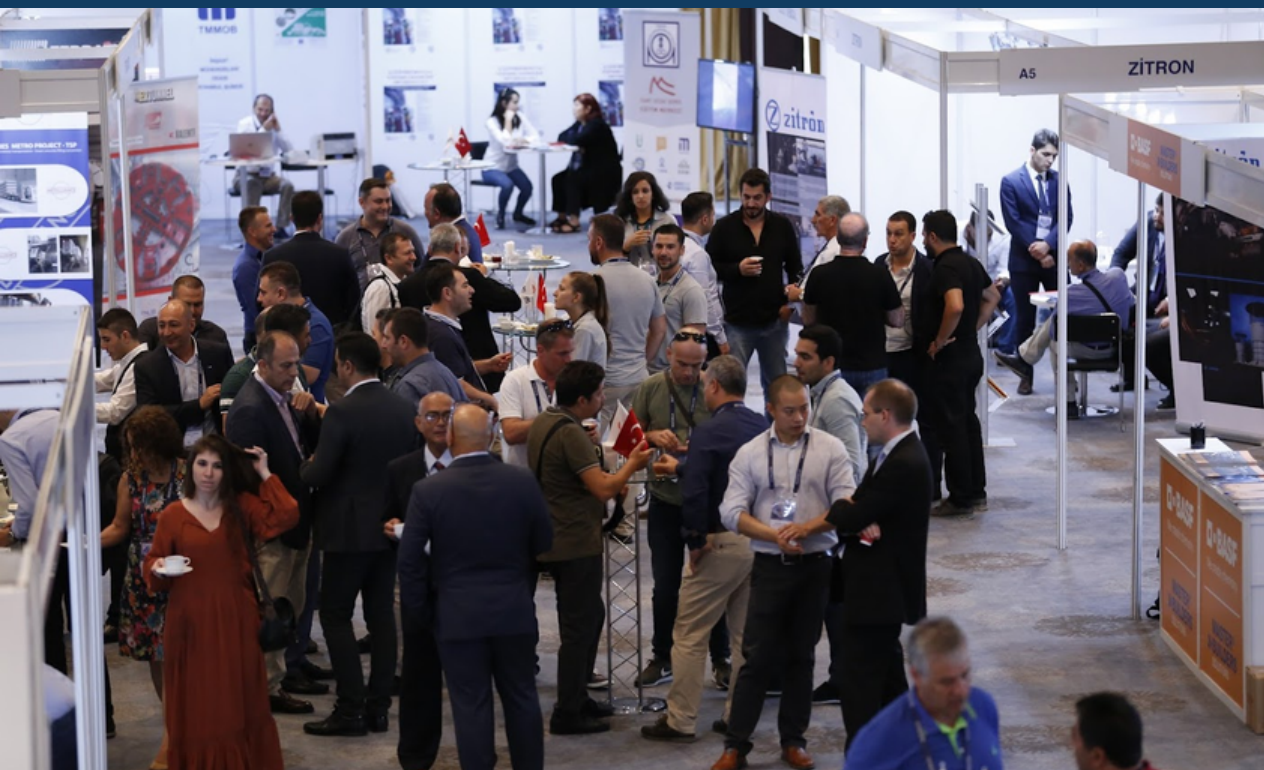

The exhibition area consists of 43 stands of 15m², 12m², and 9m². The exhibition hall is located in the same building as the conference hall where the papers will be presented.

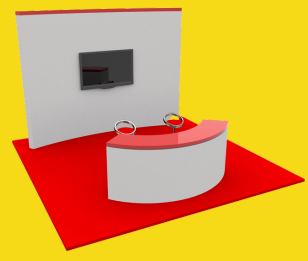

[Click for stand packages and further information.](#)

Sponsorship packages in different categories have been offered for companies/institutions that want to support the UYAK2023 Symposium and Exhibition as a sponsor and take part in the symposium.

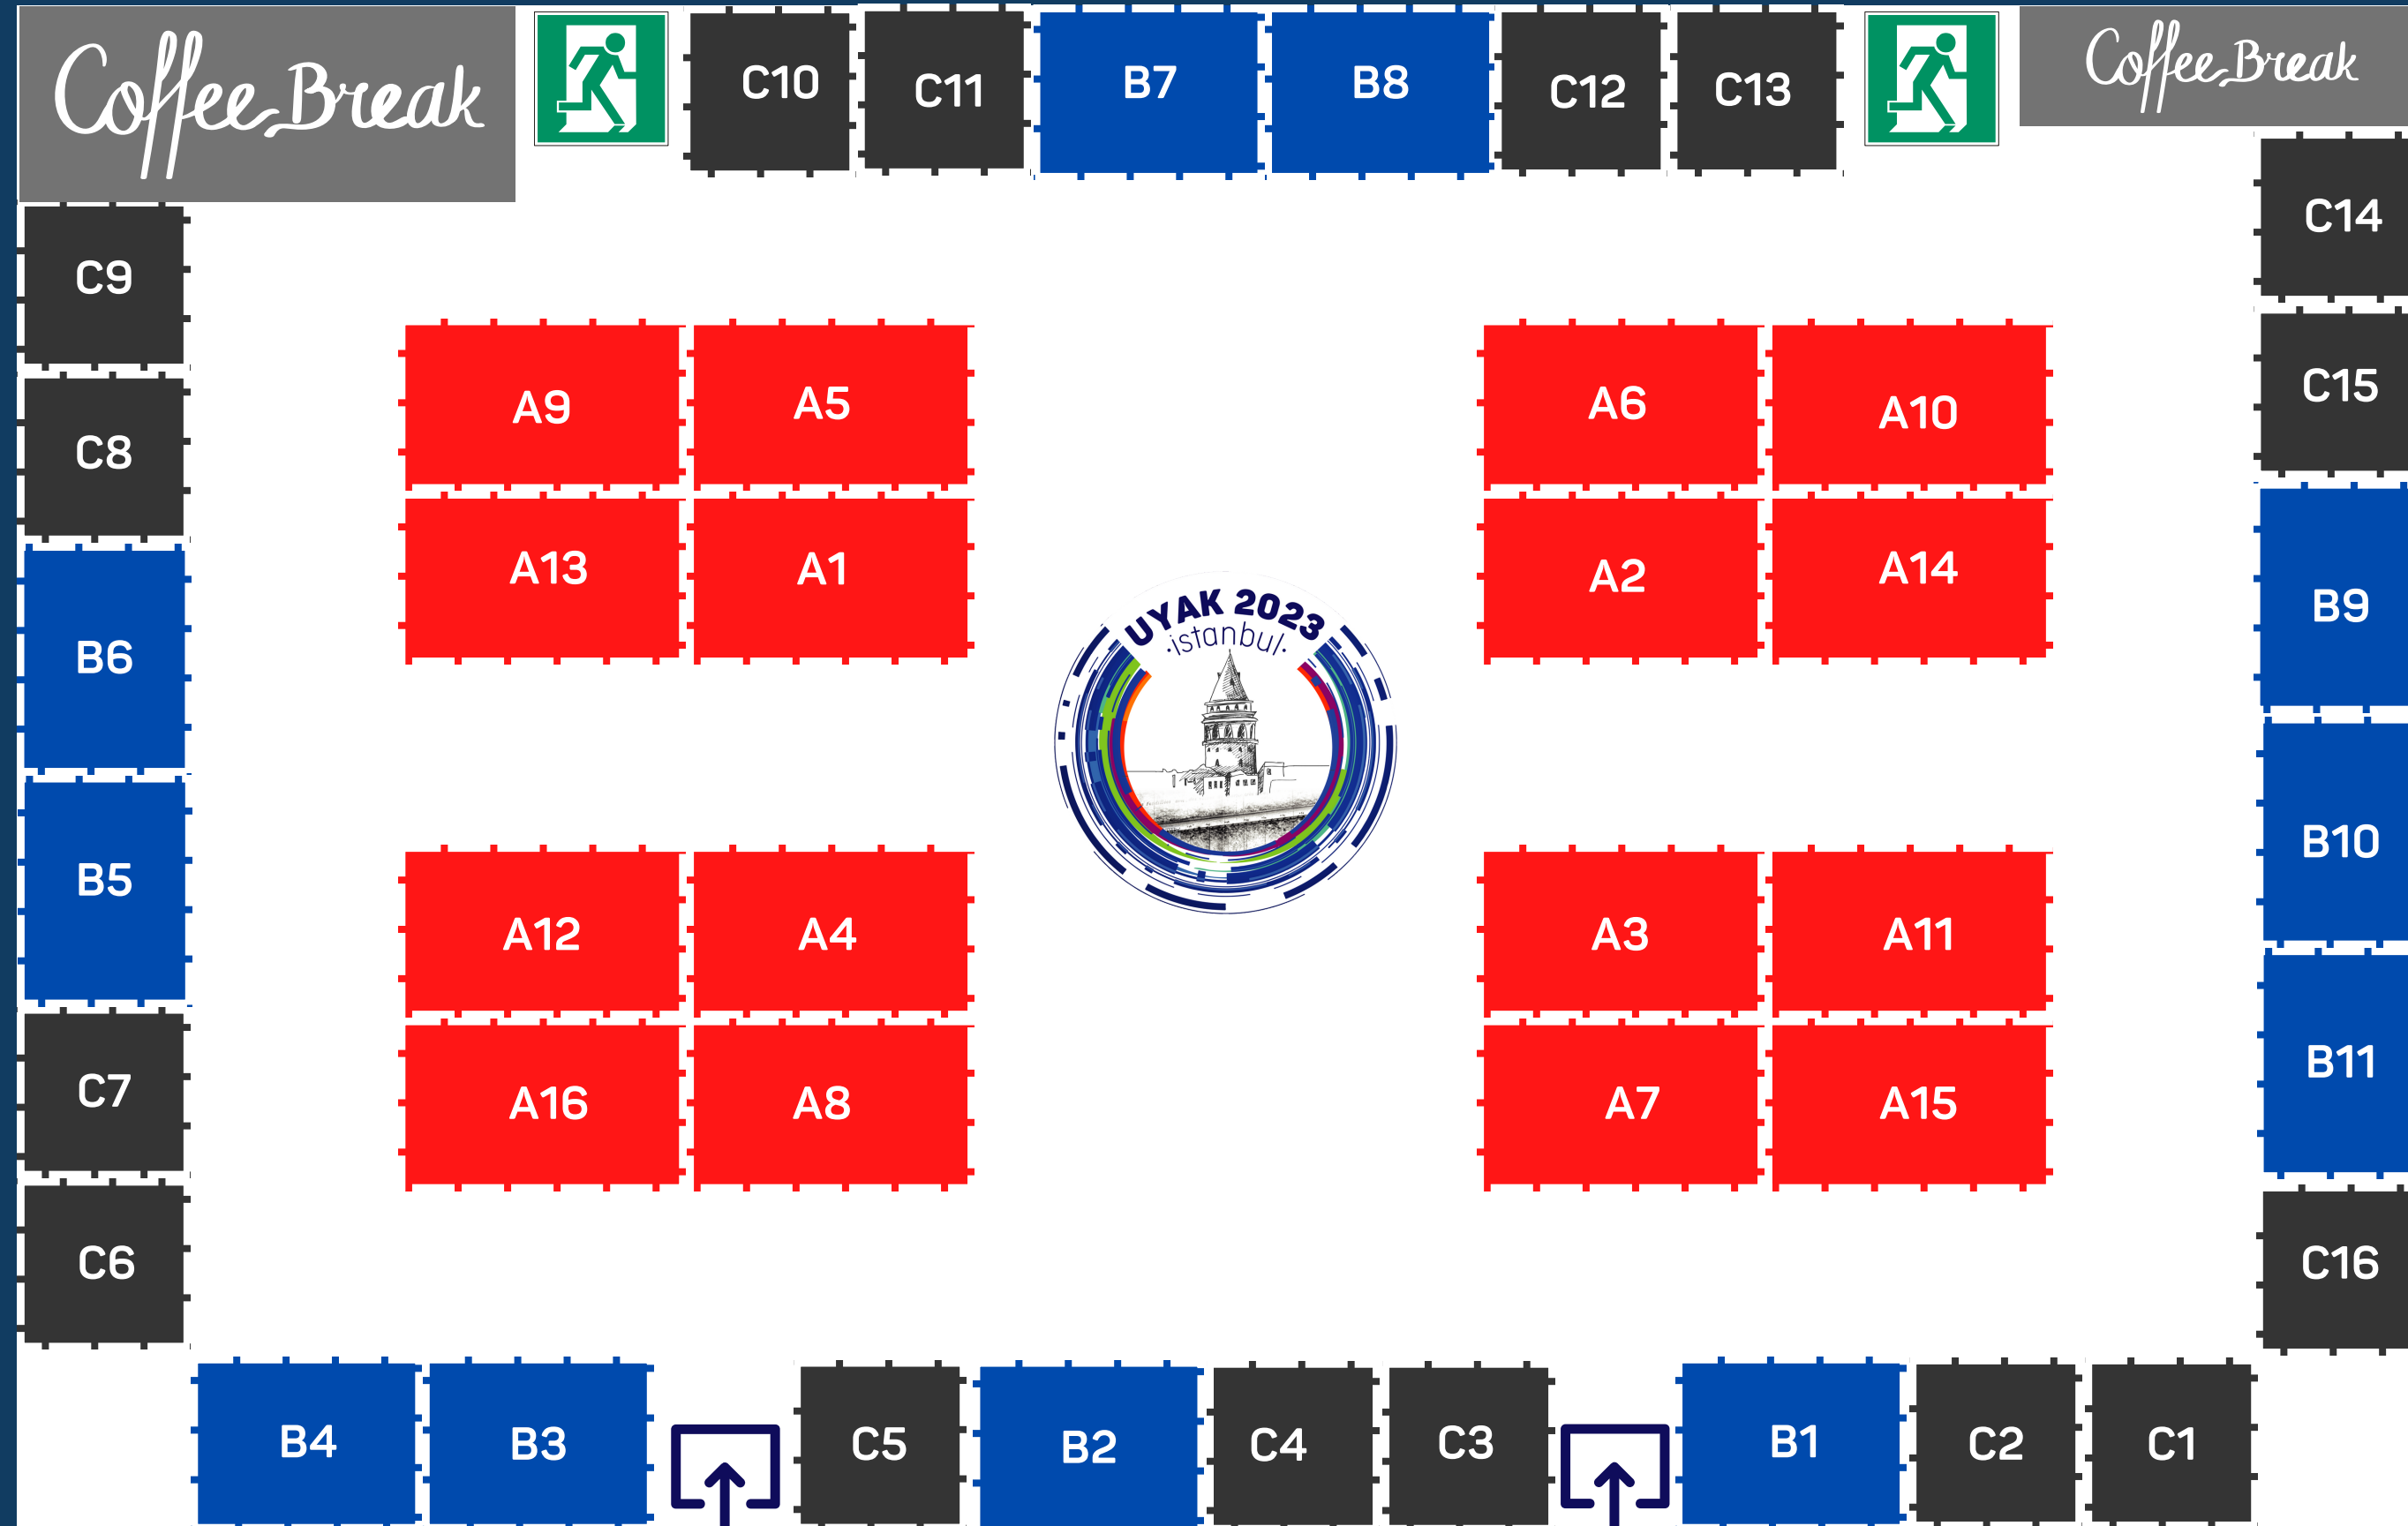

Companies, machinery-equipment manufacturers, and public institutions serving underground excavations and structures, such as tunnels, subways, and mines, can benefit from the relevant sponsorship packages.
